

What is Kingfisher Lacrosse?

Kingfisher Lacrosse was founded in 2020 to bring the sport of lacrosse to the Cedar Rapids-Iowa City corridor. Our mission is simple: to grow the game of lacrosse in Eastern Iowa by providing access to competitive boys and girls teams from 10U through high school and learn to play opportunities in partnership with other youth sports teams, organizations, schools and parks & recreation departments from across the region.

Our club also supports learn-to-play clinics in partnership with local Parks & Recreation departments, school PE classes, and other unit organizations. These programs help introduce athletes to the sport and recruit more players interested in competitive play. Lacrosse is a fun, fast-paced sport and a great option for multi-sport athletes.

Kingfisher has a player-first mentality and is powered entirely by volunteers. All our coaches and support staff are either parents of current players or former player who give their time because of their love of the game.

One tradition that makes our club unique is that all Kingfisher players gather together for the first practice of the season. We start the season, and we end the season together, reinforcing that we are “family”.

Why Sponsor Kingfisher Lacrosse?

As our club continues to grow, so do the opportunities for athletes and their families. Just over 100 boys and girls are participating in our competitive spring program in 2026 and we will touch many more through the summer and fall clinics.

Kingfisher Lacrosse is committed to keeping lacrosse financially accessible for families in our region. Instead of raising registration fees, we are reaching out to ask for the support of local businesses and community partners.

Your sponsorship helps support:

- Spirit gear and support for players
- Team equipment and program needs
- Club investments that support long-term growth
